OBJECTIVE

Freshman engineering student going into mechanical engineering next fall, seeking an internship in a challenging role to develop my technical skills.

EDUCATION

Texas A&M University, College Station, Texas Graduation: May 2025
Degree: Bachelor's in Science in Mechanical Engineering
GPR: 3.846

Carthage High School, Carthage, Texas Graduation: May 2021
GPR: 4.2626

EXPERIENCE

Complete Printing and Publishing, Carthage, Texas June 2021 – August 2021
Bindery Machine Operator

- Operated and maintained bindery equipment including packing, shrink wrap, folders, cutters, and perfect bindery machines.
- Assisted with delivering packages and off-loading supplies and equipment from delivery trucks.
- Managed 5-10 job orders a day to ensure that customers receive their orders on time.

LEADERSHIP

National Honor Society, Carthage, Texas March 2020 – May 2021
Treasurer

- Managed NHS account to ensure that all money being collected or used for purchase is up to date.
- Collected \$2000 to spend on food and supplies and deliver for a Hurricane Relief Drive near Lake Charles, Louisiana.
- Delivered weekly reports to the President and NHS Advisor.

SHPEathon, Texas A&M University December 2021 – February 2022
Mentor/Judge

- Helped establish SHPE's first SHPEathon, a competition where members collaborated in teams during a weekend to launch a mock company and create an innovative product.
- Assisted in mentoring teams by making sure they are heading in the right direction with their idea and answering questions they had about the competition.
- Judged team's presentations on the final day of the competition and asking questions about their product.

ORGANIZATIONS

Society of Hispanic Professional Engineers, Texas A&M University September 2021 – Present
Internal Affairs Committee Member

- Organize and coordinate all athletics, social, and volunteering related events.

Technical Affairs Committee Member

- Develop leadership and technical experience to be better prepared for the engineering field.

PROJECTS

Personal Website October 2021 – Present

- Creating personal website using HTML and CSS.
 - <https://carlosv02.github.io/CV8.github.io/>

Pig Game Python November 2021 – December 2021

- Worked on a final project with a group for ENGR 102 that displayed Pig Game, a rolling dice game, in Python.

HONORS

Deans Excellence Award October 2021 – Present

- Awarded by the College of Engineering for excellent academic record

Regents Scholar

- Awarded for being a first-generation college student.

SKILLS

Bilingual (Spanish/English) | SolidWorks | Python | Microsoft Office |
